HOTELBRAIN ACADEMY

07

HotelBrain Academy

HotelBrain Academy is the latest initiative of HotelBrain Hospitality that revolutionized the industry. It launched at the beginning of 2023, and It aims at the training of those interested to join the hospitality industry and the continuous development of those that are already within the industry and are wishing to accelerate their careers. As a result, HotelBrain Academy is creating sustainable economic and social development of the tourism industry.

HotelBrain Academy is putting in action the Group's values and philosophy, to cultivate potential tourism professionals and to offer great job opportunities in the Group's hotel network

📍 28th Oktovriou Av. 123, Athens 112 51

HotelBrain

Academy Programs

Executive Diploma in Hotel Management

The increase and development of tourist units in our country require executives with the necessary training and ambition to create a successful career in the field of Hotel Management. The aim of the program is the creation of high-level executives in the country's heaviest industry.

Food & Beverage Fundamentals

The program consists of topics related to quality, safety and hygiene, oenology, bar and restaurant management, marketing, creation of menus and wine lists, economic analysis, event organization, hotel breakfast, Greek and International cuisines.

Front Office & Reception Management

The purpose of the program is for students to acquire skills and knowledge in the areas of Front office, Guest Relations and Housekeeping with continuous Case Studies throughout their studies.

Online Professional Diploma in Hospitality

The program will train participants in a combination of F&B and Front Office & Reception Management modules and will prepare them to accelerate their careers in hotel business.

HotelBrain

Academy Facilities

HotelBrain Academy is based in the Athens city centre. It features state of the art facilities that will take you on a real-time journey of a virtual hotel. The cooking, oenology, bartending and barista workshops have been designed under the instructions of the experienced executives of the HotelBrain Group and will ensure the highest quality education in the field of Food & Beverage. While the workshops of Front Office and Reception will be used to train you in real working conditions. HotelBrain Academy has a secret garden that is hosting corporate events in which students participate to further enhance their skills.
